## **APPLICATION FOR FUNDING FROM WESTPORT LIONS CLUB - Organizations**

The Lions Club of Westport is dedicated to supporting our local community in various ways, including financial support for local accredited Charitable or not for profit organizations that fall within our mandate of supporting:

- Youth mental and physical development;
- Senior's mental and physical well being;
- Relief of pain, suffering and financial hardship due to illness or disaster, and;
- Purposes Beneficial to the Community.

In addition, Lions Clubs activities are also guided by our 5 Pillars:

- Vision, Diabetes, Hunger, Environment or Childhood Cancer

We allocate funds to local organizations on a semi-annual basis, and when doing so we assess and rank requests based on the above listed criteria. In addition to the above factors, every attempt is made to stretch our limited budget as far as possible, so the more members of our community an organization is able to support, the better.

As indicated, we allocate funds twice a year, in April and October. To be considered for these semi-annual disbursements, please ensure your application form is submitted no later than April 1, or October 1. Applications outside of these dates may be considered on an emergency basis and are subject to the availability of funds.

### 1. Organization Details

Name of Organization:

Name of Contact Individual:

Position:

Address:

Phone:

Email Address:
